

HEYCO®

a PennEngineering® Company

Engineered Component Solutions
for the Lighting Industry

An Industry-Leading Selection of Engineered of Lighting Related Fastening, Mounting, and

When it comes to shining a light on the world, nobody offers a wider selection of engineered component solutions for lighting manufacturers than Heyco. With decades of experience in design and manufacture of these components, nobody is better equipped to work closely with you to identify your needs, ship samples for your quick evaluation, and deliver in-stock parts when and where you need them once you place your order.

If your application requires a custom designed component solution, our unparalleled in-house design and engineering departments, combined with our state-of-the-art manufacturing facility, can help you take your product from concept to completion.

Standard in-stock product categories and components include:

Rivets and Fasteners

- Fasten LED board to fixture housing
- Fasten lens over LED board

HEYClip™ Drive Fasteners

HEYClip™ Mounting Buttons

HEYClip™ Fastener Plug

HEYClip™ Nylon Push-In Fasteners

Wire Management

- Effectively route wire and cable throughout a light fixture

HEYClip™ Shorty Side Entry Cable Holders – Arrowhead Mount

HEYClip™ Cable Holders – Adhesive Mount

Heyco® Stainless Steel Cable Clamps – Screw Mount

Heyco® Nylon Cable Clamps – Screw Mount

Heyco® Wire Connectors

Plugs

- Close unused panel holes and electrical knockouts

Heyco® Dome Plugs

Components to Meet a Wide Range Wire Management Needs

Bushings and Slides

- Safely protect cables from sharp and unfinished edges in and out of a light housing

Heyco® Open/Closed Bushings

Heyco® Open/Closed Shorty Bushings

Heyco® Thin Panel Bushings

Heyco® Shorty Bushings

Heyco® Open/Closed Universal Bushings

Heyco® Thick Panel Universal Bushings

Heyco® Snap Bushings

Strain Reliefs

- Protect the lifeline of light fixtures by absorbing the forces of pull, push, and twist exerted on flexible power cords

Heyco® RDD Lockit™ Strain Relief Bushings – Straight-Thru

Heyco® Lockit™ Strain Relief Pre-Assembly Equipment

Heyco® Metal Strain Relief Bushings

Heyco® Attaching Pliers for Metal Strain Reliefs

Heyco® Original Strain Relief Bushings

Heyco® Original Strain Relief Bushing Assembly Pliers

Heyco® Original Strain Relief Bushing Air Tool, Air Tool Jaws & Replacement Parts

Liquid Tight Cordgrips

- Provide liquid tight entry into a light fixture while also providing strain relief on the power cord

Heyco®-Tite Liquid Tight Cordgrips

Heyco®-Tite Snap-In-2 Liquid Tight Cordgrips

HEYbrid™ Stainless Steel Hazardous Location Liquid Tight Cordgrips

Surface Mount Miniature Connectors

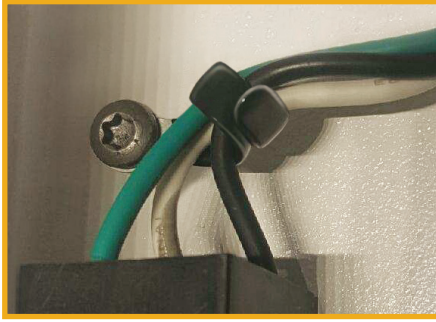

- Suitable for use on LED printed circuit boards

Heyco® Surface Mount Miniature Connectors

For more detailed size and specification information on any of these products and components go to www.heyco.com and type in the part description in the Heyco Part Search Bar at the top of the Homepage or e-mail sales@heyco.com

Lighting Component Applications and Markets

Residential Electric Lighting Fixtures
(S1C Code 3645)

Industrial and Institutional Electric Lighting Fixtures (S1C Code 3646)

Lighting Equipment, not elsewhere classified (S1C Code 3648)

To access Rep/Distributor lists for the following areas:

Americas

Canada
Mexico
South America
US (by state)

International

Africa
Asia
Europe
Middle East
Pacific/Oceania
